

CIBAU SENSITIVE FISH M&L

Complete, balanced food for adult dogs. Helps solve allergies and inflammatory problems.

Cibau Fish & Rice is a complete, balanced food for adult dogs with inflammation. Thanks to the biological properties of fish protein and omega-3 fats (obtained from fish oil), Cibau Fish & Rice is the perfect support for therapies aimed at dealing with inflammations or symptoms of allergy, such as scratching, dermatitis, dandruff, hair loss, otitis, inflammation of the intestines and conjunctivitis. Moreover, beetroot pulp is a rich source noble fibres that favour correct intestinal movement; brewer's yeast to help improve intestinal activity, are also rich in Vitamins B and D. Cibau Fish & Rice contains vitamins and other elements for a correct and balanced diet.

Composition

Rice (55%), dehydrated fish (28%), fish oil (8%), dried beetroot pulp (5%), vegetable oil (2%), mono-dicalcium phosphate, sodium chloride, calcium carbonate, potassium chloride, dried brewer's yeast (0,3%).

Additives per kg
